## **POOL KEYS**

Each home should have one pool key with a unique number stamped on it. If you have not exchanged your key during the last few years for a numbered key, please contact:

Robert Faiks 720-951-0956

[dwdirectorfaiks@gmail.com](mailto:dwdirectorfaiks@gmail.com)

The key identifies the pool user, so you should have the key with you at the pool. Do not ask others to open the gate for you or your group. Use your key.

Replacement of these numbered keys cost \$25, so please do not lose them.
